

# Network Services

Pall-Ex continually develops a comprehensive range of integrated services which proactively respond to the challenges and opportunities encountered by our customers.

## Delivering quality

Pall-Ex provides award-winning, leading palletised freight distribution services throughout the UK, Europe and beyond.

Founded in 1996, our UK network has grown phenomenally, providing customers with reliable, innovative and cost-effective services, all delivered by a nationwide membership of around 100 of the UK's leading hauliers.

Our core service offering for palletised freight deliveries includes:

- ▶ Next day, economy and timed deliveries
- ▶ Cost-effective rates for quarter, half and full UK and Euro pallet options
- ▶ Incentivised, competitive rates for consignments of four pallets or more

- ▶ Bespoke services, including pick-and-pack, storage, and order fulfilment
- ▶ Dedicated customer service and account management
- ▶ Source-to-store logistics with our unique, flexible Retail Plus offering
- ▶ Waste management control with our Eco-Drive service
- ▶ One-stop, fully-integrated European and international services
- ▶ Sector-leading, integrated IT solutions
- ▶ Real-time track-and-trace and live proof of delivery (POD)
- ▶ Regular KPI reporting in accordance with your objectives and targets
